Editors Notes.

I hope you all survived the weather and were able to get all your holiday shopping done. I have agreed to take over the newsletter from Stan, who has been doing a great job.

Along with the Newsletter I am offering to update the club website, I am by no means an expert in web design but I do enjoy the challenge. With the new site would be areas for club member input and possibly an option for members to have their own NWDBA email address plus much more!

If you have anything you would like to have published in the newsletter please send it to this email address, nwdba_newsletter@yahoo.com

Thankyou

Dave Pearson
